

# Fire Training Centre “La Rama”

Montheron, Lausanne, Switzerland

Staircase Fire

O-250 Fuel Spill

Sofa Fire

## Structural FIRETRAINER® T-2000, Outdoor-Industrial FIRETRAINER® O-250 & Outdoor-Industrial FIRETRAINER® O-100

The fire training center “La Rama” in Lausanne was extensively equipped by KFT Fire Trainer. The delivery comprised of:

- A full automatic controlled FIRETRAINER® T-2000 burn building with 9 fire places and a “Hot Door”
- A stationary 50 m<sup>2</sup> Fuel Spill FIRETRAINER® O-250
- An transportable Outdoor-Industrial FIRETRAINER® O-100 for hose line or car fire training

A passive, mobile car mock-up can be used either indoors with the garage fire or outdoors with the transportable O-100 FIRETRAINER® for even more versatile training scenarios.

**Delivered:** January 2014

**Fueled by:** Propane
